Vietnam Gourmet Golf Cruise

09 - 18 November 2011

Discovering Vietnam is high on travel lists but doing it in style, playing its best golf courses is simply heaven on earth. After the success of our New Zealand Gourmet Golf Cruise in 2010, we invite you to join us on our inaugural Cruise in Vietnam. From the Mekong Delta and Ho Chi Minh City in the south, to Hanoi in the north, this is a country of immense contrast and emerging importance. From bustling and chaotic cities to rice paddies and quaint villages,

something for everyone. Add to this an array of world-class golf and this is a discerning golfer's dream come true. Orion Expeditions are market leaders in first-class service, award-winning dining and the ultimate in small-ship cruising. Orion II is more like a mega-yacht than a ship. You will discover that luxury cruising combined with golf is the ultimate experience.

More about the Golf

Each day we run a series of team and individual competitions with a choice of tees for each player. There will be longest drive holes, nearest the pin holes and other competition opportunities worked in conjunction with the golf course management to ensure that you have plenty to think about! The courses we play are world-class with a mix of resort style and more challenging links-type courses. There is something for all levels of golfer and all ages on this Cruise. This is a dedicated golf Cruise for golfers of all abilities.

Golf 8 holes green fees per round, motorized buggies, caddies, range balls and water.

Free golf clinics including video swing analysis will be held onboard Orion II and on-course with a PGA member as one of our charter staff, ensuring you are in the best possible hands both on and off the Cruise ship.

Cruise prices are per person in Australian Dollars. (See the price inclusions on the last page.)
